4. A snake has no legs or feet, but it moves very fast. Can you guess how? Discuss in the group.

**Answer**

A snake has no legs or feet, but it moves very fast as it slides over the grass with the help of its scales.

5. Can you recall the word used for a cobra's long sharp teeth? Where did you come across this word first?

**Answer**

Cobra's long sharp teeth are like two bows or forks that are ready to chase you down. It makes me frightened. They are called fangs which is hollow tube attached to a poisonous gland on one side. I came across these words as it looks very dangerous and sharp like knife.
